

HLB WINTER TEAMS

For Boys Grades 4-8 & **New for** Girls 7th-8th Grades

Season Length: 11/15 – 2/18. Approximately 11 weeks

PRACTICE SCHEDULES

- **Custom Built Schedules for each team.** Due to School team practice schedules & holidays, most teams do NOT have a regular once-per-week practice routine in winter.
- Practices are scheduled around the availabilities of each team's players & teams often cluster practices around blocks of available times, especially in December
- Info on Player's availabilities/schedule conflicts for the season is collected during evaluations & schedule developed from that info.

NOTE: Teams **can** have activity over Christmas Break – some have little/none - depends on availabilities.

Competition

- Local Leagues (that we host) for each of our teams: 1/7 – 2/18/18. Game days Sun or Sat aft/early eves depending on grade level with -- schedules out usually week before Christmas
- 1-2 local weekend tourneys also possible on weekends in early/mid Feb.
- Teams also typically add a couple scrimmages in December

Rosters/Team Breakdown:

- Team Rosters of 8-10 players per team
- Players grouped more by ability level than grade. Combined grade teams used if necessary (i.e – 5th/6th, 7th/8th, etc.) Play players up if needed to ensure players play w/similar ability levels

Winter Team Fee: Dependent on grade level – range from \$155/player - \$185/player.
Payment plans available to spread cost over course of season

ALL Team Head Coaches have multiple years of experience coaching at their grade level & are screened, hired, trained & supervised by HLB's NABC-PDS Certified Coaching Staff
